Part A – Taxation and Public Finance

A.1. Income Tax

(a) Other Exemptions and Reliefs - Exempt Income

- (i) The partial exemption granted in respect of interest earned by a Collective Investment Scheme or a Closed End Fund established in Mauritius will be increased from 80% to 95%.
- (ii) Interest income derived from bonds, debentures or sukuks issued by an overseas entity to finance renewable energy projects (“Green Bonds”) approved by the Director-General of the Mauritius Revenue Authority (MRA) will be exempted.

(b) Income Tax Holiday

The income tax holiday granted to Mauri-Facilities Management Co. Ltd, which has been given additional responsibilities under the National Clean-up Campaign, will be increased by an additional 5 years.

(c) 3% Reduced Rate of Corporate Tax on Exports of Goods

It will be clarified that profits derived from the sale of aviation fuel to an airline will be considered as an export of goods and therefore subject to tax at the reduced rate of 3%.

(d) Solidarity Levy on Telephony Service Providers

A profitable company currently pays 5% of its accounting profit and 1.5% of its turnover as Solidarity Levy.

The rate of the levy applicable to the turnover component will be reduced from 1.5% to 1%.

An operator who has made a loss will still be required to pay the levy imposed on turnover, i.e. 1%.

(e) Taxation of Banks

The tax rates for banks is as follows –

- (i) chargeable income up to Rs 1.5 billion is taxed at 5 %; and
- (ii) chargeable income above Rs 1.5 billion is taxed at 15%.

In addition, an incentive system was granted during the years of assessment 2020/2021 and 2021/2022 to banks having chargeable income exceeding Rs 1.5 billion. Under this system, any chargeable income in excess of the chargeable income for the base year of 2017/2018 is taxed at a reduced tax rate of 5% if pre-defined conditions are satisfied.

This incentive tax rate of 5% is no longer applicable as from the year of assessment 2022/2023 and banks are being taxed at the rate of 15% on chargeable income above Rs 1.5 billion.

(f) Investment Tax Credit

An investment tax credit of 15% over 3 years (i.e. 45% in total) is granted to manufacturing companies in respect of expenditure incurred on new plant and machinery (excluding motor cars).

The investment window will be extended up to the financial year (FY) 2025/2026.

Any unrelieved investment tax credit may be carried forward over 10 years.

Companies engaged in the manufacture of both alcoholic and non-alcoholic beverages will be allowed to claim the investment tax credit on expenditure incurred on new plant and machinery used exclusively for the production of non-alcoholic drinks.

(g) Double Deduction of Expenditure Incurred on Market research and Product Development

The double deduction granted to a manufacturing company in respect of expenditure incurred on market research and product development will no longer be restricted to the African market. This additional facility is restricted to companies having an annual turnover not exceeding Rs 500 million.

(h) Double Deduction of Expenditure Incurred on an approved film project

A tax relief of 200% of amount spent by local companies participating in the financing, sponsorship or marketing and/or distribution of an approved film project, under the Film Rebate Scheme, intended for theatrical or media streaming release.

The approved film should be produced at least 90% in Mauritius.

(i) Waiver of COVID-19 Levy

All outstanding debts of the COVID-19 levy as at 20 January 2023 inclusive of penalties and interest will be waived.

(j) Financial Assistance to Specified Enterprises- Salary Compensation 2023

The Income Tax Act will be amended to implement the decision of Government to provide a monthly financial assistance for payment of salary compensation 2023 of -

- (i) Rs 250 or Rs 500 per eligible employee of a Small and Medium Enterprise (SME) including an expatriate employee depending on the profitability of the enterprise;
- (ii) Rs 300 per eligible employee of an Export Oriented Enterprise including an expatriate employee; and
- (iii) Rs 500 per eligible employee of a large public bus operator including an expatriate employee.

This assistance will be payable to an SME and an Export Oriented Enterprise during the period from January 2023 to June 2024, including a double payment in December 2023.

For a large public bus operator, financial assistance will be provided during the period from January 2023 to December 2023, including a double payment in December 2023.

(k) Corporate Social Responsibility (CSR)

Rs 200 million of the CSR amount collected by the MRA will be transferred to the Solidarity Fund annually as from FY 2023/2024.

A.2. Property Taxes

(a) Home Ownership Scheme

The Home Ownership Scheme will be extended for another year, i.e. in respect of residential property acquired during the period 1 July 2023 to 30 June 2024.

Under the Scheme, an eligible person buying a house, an apartment or bare land to construct his residence benefits from a refund of 5% of the cost of the property up to a maximum of Rs 500,000.

Regarding a property acquired under '*vente en l'état futur d'achèvement*' (VEFA), the refund will be made in respect of the amount paid by the purchaser under the VEFA agreement up to 30 June 2025.

A property which has been the subject of a reservation on or before 30 June 2024 in the prescribed manner will also qualify under the Scheme provided the deed of transfer is signed and registered not later than 30 June 2025.

The payment to a person under the Scheme will not exceed a total aggregate amount of Rs 500,000 in a financial year applicable as from 1 July 2023.

(b) Home Loan Payment Scheme

The Home Loan Payment Scheme will be extended for another year, i.e. in respect of loans contracted during the period 1 July 2023 to 30 June 2024.

Under the Scheme, a person contracting a secured housing loan to construct his residence benefits from a refund of 5% of the loan amount disbursed, up to a maximum of Rs 500,000. Amounts of loan disbursed up to 30 June 2025 will qualify under the Scheme.

As from 1 July 2023, a person will be eligible to a maximum payment of Rs 500,000 in the FY 2023/2024.

A.7. Tax Administration

(a) Tax Administration: General

(i) Tax Arrears Settlement Scheme (TASS)

The Tax Arrears Payment Scheme will be re-introduced. The Scheme provides for full waiver of penalties and interest where tax arrears, outstanding under the Income Tax Act, the Value Added Tax Act and the Gambling Regulatory Authority Act, are paid in full by 31 March 2024 and provided the taxpayer registers under the Scheme by 31 December 2023.

Taxpayers having assessments pending before the Assessment Review Committee, the Supreme Court or Judicial Committee of the Privy Council, and who wish to take advantage of the Scheme, may do so by withdrawing the case before these institutions.

(ii) Protected Cell Company and Variable Capital Company

The MRA will not recover tax owed by a cell of a protected cell company by having recourse to assets of other cells or non-cellular assets of the protected cell company.

Likewise, each sub-fund or special purpose vehicle of a variable capital company will be treated as a separate entity for the purpose of recovery of tax.

(iii) Statement of Financial Transactions

A virtual asset service provider and an issuer of initial token offerings will have to report annually to the MRA a transaction made by an individual, a *société* or succession exceeding Rs 250,000 or transactions exceeding in the aggregate Rs 2 million in a year. As regards a corporate, the threshold will be Rs 500,000 and Rs 4 million respectively.

(b) Tax Administration: Income Tax

(i) Tax Deduction at Source (TDS) – Broadening of Scope

The Income Tax Act will be amended to broaden the scope of TDS to cover -

Services	Rate of TDS
Payment of fees made by insurance companies to panel beaters and spray painters for repairs of motor vehicles of policy holders	3%
Interior Decorator/Designer	5%

(ii) Tax Deduction at Source – Exemptions

Tax Deduction at Source will not apply on fees paid to -

- (A) a Management Company licensed by the Financial Services Commission (FSC); and
- (B) an Investment Adviser licenced by the FSC.

(iii) Presumptive Tax

A number of provisions relating to the administration of the presumptive system of income tax will be fine-tuned.

(iv) Power to Require Information

(A) It will be clarified that the provisions of the Information and Communication Technologies Act and the Data Protection Act will not apply to information requested by the Director-General of the MRA under Section 123 of the Income Tax Act.

(B) The MRA will also be allowed to request additional information from a bank if a benefit payable by the MRA has been credited in a wrong bank account.

(c) Tax Administration: Customs Act

- (i) Authorised customs officers will be empowered to be equipped with firearms and other defensive weapons when working in high risk areas. Appropriate training will be provided by trained police officers to the customs officers.

The Firearms Act will also be amended to exempt these customs officers from the requirement to have a firearm licence, as is the case for police officers and officers of the Mauritius Prisons Service.

- (ii) It will be clarified that the taxation rate applicable on any imported or locally manufactured good is the rate in force in the Customs Tariff Act, Excise Act and Value Added Tax Act at the time the Bill of Entry for the good is validated at Customs.
- (iii) The rate of interest that will be applicable at the time of effecting a refund of taxes under the Customs Act or the Excise Act will be the Key Rate.
- (iv) Parcels and trade samples imported/exported by post/courier, which are not merchandise for sale, do not require a Bill of Entry for clearance. However, a simplified customs form is submitted for clearance purposes. Legal provision will be made for this form.
- (v) Where an importer/exporter/broker/agent fails to produce documents requested by MRA for post-clearance audit control, MRA may claim taxes underpaid based on information available. Provision will be made for a penalty not exceeding 50% of the underpaid taxes and interest at the rate of 0.5% per month, as for other cases of underpayment of taxes.
- (vi) An importer, who imports goods on behalf of another person entitled to tax exemption but fails to submit required documents within 15 days after the clearance of the goods, will be liable to a penalty of Rs 2,000 per day of non-compliance, up to a maximum of Rs 20,000. An aggrieved importer will have a right of appeal.

- (vii) The penalty provision for failure to submit a Bill of Entry for the clearance of goods or to make necessary amendments to ensure the accuracy of a manifest within 5 working days after the time an aircraft has landed or a vessel has been berthed will be further deferred until 30 June 2024.
- (viii) When a person is suspected of having concealed drugs inside his body, he may be required by a customs officer to go through a body scanner. An authorised customs officer will be empowered to seek an order from a magistrate for a suspected person who refuses a body scan to be submitted to a medical examination. In case a suspected person refuses to submit to such a medical examination, he shall commit an offence and shall, on conviction, be liable to a fine not exceeding Rs 100,000 and to imprisonment for a term not exceeding 10 years.
- (ix) MRA Customs will be empowered to request, on a risk-management basis from an importer clearing goods of a value of more than Rs 500,000, details on the source of funds which have been used to purchase the goods.
- (x) The Income Tax Act and VAT Act make provision for any aggrieved person to lodge an objection at the Objection Directorate of MRA or an appeal at the ARC on payment of 10% and 5% respectively of the amount of taxes underpaid. Similar provision will be made in the Customs Act and Excise Act to discourage frivolous objections and appeals.

(d) Tax Administration: Excise Act

- (i) A definition of “matured agricultural rum” will be introduced.
- (ii) Provision will be made to allow bottlers of water to submit a consolidated Bill of Entry for excisable goods, as is the case for manufacturers of sugar sweetened products.
- (iii) Provision will be made to allow a customs officer, in the execution of his duties, to offer to buy any alcoholic or tobacco products for the purpose of gathering evidence for the enforcement of the Excise Act. The evidence gathered will be admissible for court proceedings.
- (iv) Provision will be made for the stocktaking exercise for sugar sweetened products in a factory to be carried out over such period as MRA may determine.
- (v) Goods re-imported after repairs will be exempted from excise duty provided they are re-imported within a period of 2 years. However, there will be no excise duty exemption on the value of the repairs.

(e) Tax Administration: Value Added Tax Act

- (i) It will be clarified that a person who has voluntarily registered for VAT purposes will be allowed to take credit for input tax as from the date of his registration.
- (ii) It will be clarified that the time period to issue a VAT assessment will not exceed 4 years following the period in which the tax liability arose, unless there is fraudulent conduct.

- (iii) As a first of phase of the e-invoicing project, MRA will launch a developer's portal to test the Electronic Billing Systems (EBS) supplied by vendors to ensure the EBS connect seamlessly with the MRA server and invoices generated are in a standard e-invoicing format.
- (iv) Presently, an event organiser is eligible to VAT refund in respect of accommodation costs incurred by visitors attending a qualifying event. In view of the cumbersome administrative process for refund, an event organiser will, henceforth, be exempted from payment of VAT in respect of accommodation costs for a qualifying event.
- (v) One of the conditions to be satisfied for a person to be eligible to make an application for VAT refund on a residential building, house or apartment is that the covered area constructed should not exceed 1,800 square feet. An additional condition that will, henceforth, have to be satisfied is that the construction value should not exceed Rs 3 million.
- (vi) The list of equipment on which VAT is refunded to a planter/breeder under the VAT Refund Scheme will be extended to include the following –

Planter

- Automatic irrigation controller
- UV water filtration system
- Plant support mesh

Breeder

- Cooling tank

- (vii) A fisherman will, henceforth, have to be registered with the Ministry of Blue Economy, Marine Resources, Fisheries and Shipping instead of the Fishermen Welfare Fund to be eligible to refund of VAT paid on specified equipment.
- (viii) To facilitate refund of VAT to a person who is not in business, it will be mandatory for a VAT-registered entity to specify on its VAT invoice the name and address of that person if he requests it.

(f) Tax Administration: Registrar-General's Department

(i) Transfer of Shares

The following amendments will be brought in respect to registration of transfer of shares -

- (A) for transfer of shares exceeding Rs 200,000 in value and requiring a supporting certificate from a professional Accountant, the duty/taxes will be levied either on the value declared in the deed of transfer or in the certificate, whichever is the higher;
- (B) when a person is acquiring more than 20% of the share capital in a company and an option has been made to be taxed on the value of shares transferred, a description of immovable property held in the company together with a site plan should be given at time of registration of the deed of transfer; and

- (C) the process of objection following an assessment on value of shares transferred will apply equally to the transferee and transferor if the latter is subject to land transfer tax on the transaction.

(ii) Arrears Payment Scheme

The Arrears Payment Scheme under the Registrar-General's Department will be re-introduced for another year. The Scheme will provide for full waiver of penalties and interest if a debtor of the Department settles any debt amount on or before 31 March 2024. This Scheme will apply to tax arrears due as at 31 May 2023.

(iii) Objection Unit

- (A) The time given to an aggrieved person to object to an assessment of the Registrar-General following a transfer of movable property will be increased from 15 to 28 days.
- (B) If the subject matter of an objection relates to a technical field, the Registrar-General may, enlist the services of a suitable expert in the field, to advise the Objection Unit.

(iv) Representations to the ARC – Immovable Property

An aggrieved person who lodges representations with the Clerk of the Assessment Review Committee (ARC) will be required to file a copy with the Registrar-General.

(g) Tax Administration: Mauritius Revenue Authority Act

(i) Contrainte

The process of recovery of tax debt by way of “*contrainte*” issued against a debtor will be fine-tuned.

(ii) Offences in relation CSG Income Allowance

Police officers posted at the Legal Services Department of the MRA will be allowed to open an enquiry for offences relating to payment of CSG Income Allowance.

(iii) Enlistment of Technical Experts

The Director-General may enlist the services of a suitable expert in a technical field for the purpose of determining the tax liability of a person.

(iv) Review of Tax Appeal System

The efficacy of revenue collection goes necessarily via an effective tax appeal system. Necessary legislative amendments will be brought to improve the current tax appeal procedures to make same more effective and efficient.

A.8. Social Contribution and Social Benefits Act (CSG)

(a) Self-Employed

- (i) A self-employed will have an additional one month to submit his annual social contribution return, i.e. in August instead of July.
- (ii) A self-employed or a private household employer who has submitted a monthly return for part of a year will be allowed to submit a return covering the remaining months of the financial year.
- (iii) A self-employed who submits an annual social contribution return will not be required to submit a quarterly statement.
- (iv) It will be clarified that the penalty and interest provisions on unpaid social contributions also apply to a self-employed.

(b) Retirement Benefit

The definition of “retirement benefit” in the Social Contribution and Social Benefits Act will be updated as follows -

“retirement benefit” means the social benefit of a monthly amount of –

- (i) Rs 1,000, payable for the period starting on 1 July 2022 and ending on 30 June 2023; and

(a) Sale of Immovable Property Outside of Schemes to Resident Non-citizens

A resident non-citizen is allowed, upon application, to acquire residential property of a minimum of USD 350,000 outside of existing schemes subject to the payment of an additional registration duty of 10%.

The minimum value of a residential property of USD 350,000 will be increased to USD 500,000.

Only **one** property may be acquired by the main holder of a resident permit and not his or her spouse or children.

(b) Acquisition of Property in a PDS Project relating to Senior Living

The Immigration Act will be amended to grant a residence permit to a retired non-citizen and his family on the acquisition of a property in a PDS project relating to senior living provided that -

- (i) the acquisition price exceeds USD 200,000; and
- (ii) the non-citizen is aged above 50 years old.

The status of resident shall remain valid as long as the buyer holds the property.

This amendment will be backdated to 27 April 2019, i.e. the date the Property Development Scheme was amended to include construction of purpose-built building or bringing an existing building under the Scheme targeting senior citizens.

(c) Sustainable City Scheme

The Non-Citizens (Property Restriction) Act will be amended to allow non-citizens to acquire residential property in a sustainable city in the same manner as for an acquisition under the Smart City Scheme.

The Immigration Act will be amended to allow a non-citizen and his family to be granted a residence permit on the acquisition of property of a minimum price of USD 375,000 under the Sustainable City Scheme. The status of resident will remain valid as long as the buyer holds the property.

A.12. Sale by Levy

Amendments will be brought to the Sale of Immovable Property Act to alleviate the hardship of families under the regime of sale by levy especially in cases where the seized property is the *“logement familial”*.

A.13. Public Financial Management

An efficient public sector is a key factor to the efficient use of a nation's scarce public resources and the realisation of public sector objectives including the support towards national growth and prosperity. To this end, the following measures will be implemented -

(a) Modernising Public Sector Accounting

To modernise the financial and reporting framework, Government has embarked on a gradual implementation of accrual based International Public Sector Accounting Standards (IPSAS) with the main objective to improving transparency, accountability and decision-making through the preparation and publication of Financial Statements benchmarked with international standards.

The first set of accrual-based IPSAS Consolidated Financial Statements will be prepared to include the accounts of Budgetary Central Government, Statutory Bodies and Local Authorities for FY 2021/2022.

The gradual implementation of accrual IPSAS is expected to culminate with the preparation of Consolidated Financial Statements of the Public Sector for FY 2022/2023 and onwards.

(b) Strengthening the Requirement for Fair Presentation in Reporting

The Finance and Audit Act will be amended to clarify the fair presentation requirements, in all material respects, of the financial position of Government and its financial performance and cash flows for a financial year.

(c) Inclusion of a Digital Signature on the E-Payslip

Public officers are now able to access their payslips online through the 'MoKloud' platform. The e-payslips bear unique Quick Response identification (QR Code) certifying authenticity of the Issuer and are digitally signed.

Public officers will be able to use the digitally signed e-payslip for application of loan facilities or for any other administrative purposes.

(d) Building Plans Committee

Financial instructions, relating to the Building Plans Committee (BPC), will be issued to, inter-alia, -

- (i) set out the steps for seeking approval of the BPC by Ministries and Departments for the construction of new or extension/ upgrading of existing Government buildings with a cost estimate of at least Rs 5 million (exclusive of VAT); and
- (ii) clarify that approval for construction of Government buildings is given on the cost estimate based on the approved preliminary drawings, which is in line with the provisions of the Capital Project Process Manual in respect of first stage financial clearance given by MOFEPD.

(e) Procurement and Warehousing Process

To ensure that procurement and warehousing processes in Ministries and Departments are carried out efficiently and effectively, financial instructions will be issued to set out the procedures to be followed by Ministries and Departments.

(f) Strengthening Annual Reporting by Ministries and Departments

The Annual Report on Performance of Ministries and Departments will be posted on their websites. Furthermore, a centralised dashboard has been set up on the website of the MOFEPD to capture the Annual Report on Performance of all Ministries and Departments.

The Ministry of Finance, Economic Planning and Development (MOFEPD) will assist each Ministry to oversee financial planning, analysis and reporting, including the preparation of financial statements to be included in Annual Reports on Performance and oversee the Financial Statements of Statutory Bodies falling under the purview of a Ministry.

The Internal Control team in Ministries and Departments will be strengthened to ensure that proper accounting and reporting framework are in place.

(g) Asset Management in the Public Sector

To ensure that assets of the State are managed and utilised in the most efficient and effective way, Accounting Officers will be required to develop and implement an appropriate asset management strategy. Furthermore, a statement on the adequacy of control over Non-Financial Assets will be published in the Annual Report on Performance.

With the implementation of the electronic inventory management system (e-IMS), all movements of stock, i.e. receipts and issues, warehousing operations and stock management will be performed electronically by using the barcode technology. Non-Financial Assets will be tracked through the e-IMS to facilitate recording in the Government Asset Register.

(h) Special Funds

- (i) The National COVID-19 Vaccination Programme Fund will be wound up and the balance in the Fund will be transferred to the Solidarity Fund. The expenses relating to COVID-19 vaccines will be met from the Consolidated Fund.
