Middle East's second oldest airline and Iraq's national carrier, **Iraqi Airways Company TRUSTS Ramco Aviation**

Baghdad, IRAQ/ Chennai, INDIA – May 27, 2021 – Global Aviation software specialist [Ramco Systems](#) announced that it will implement its aviation software, [Ramco Aviation M&E MRO Software V5.8](#) at Iraq's national carrier, [Iraqi Airways Company](#).

Ramco will implement its complete Aviation Software including modules for Engineering & CAMO, Maintenance, Materials Management and M&E Quality & Safety. The cloud-based software will automate the operations of the Iraqi national carrier, manage complete records of its aircraft and enable the airway's staff to manage their operations and receive alerts on the go through its Mobility module, providing greater flexibility, optimized aircraft availability and reduced friction. Ramco Aviation Software will also be integrated with enhanced inventory tracking and stock visibility capabilities enabling better resource management, unified employee records, and control operations end to end, on a single platform.

Captain Kifah Hasan Jabbar, CEO, Iraqi Airways Company, said, "We were seeking a best-in-class Aviation ERP software that would deliver quality results and help us embark on a digital transformation journey. We are happy to partner with Ramco as our technology partner in this journey. As the world slowly recovers from the pandemic and air travel returns, it is vital for airlines to adapt and prepare to serve customers with a robust digital infrastructure. We are excited to be working with Ramco in building such a platform at Iraqi Airways."

Virender Aggarwal, CEO, Ramco Systems, said, "We are happy to partner with Iraqi Airways to digitally transform their business. Infused with Artificial Intelligence and Machine Learning capabilities, our Aviation ERP has gained the trust of leading operators in the industry. We look forward to working with Iraqi Airways to reduce inefficiencies and future-proof their operations through our innovative features."

[Ramco Aviation, Aerospace & Defense](#) is trusted by 24,000+ users to manage 4,000+ aircraft globally. Accessible on cloud and mobile, Ramco Aviation & Defense Software continues to innovate with 'Anywhere Apps', significantly reducing transaction time both during aircraft-on-ground (AOG) conditions and critical aircraft turnarounds. Ramco is changing the paradigm of enterprise software with Artificial Intelligence based solutions, powered by cool new features such as digital task cards, offline capability, chatbots, mail bots, HUBs and cognitive solutions. With 80+ Aviation organizations onboard, Ramco is the solution of choice for top heli-operators, leading defense companies, space launch vehicles, UAS/Drones, eVTOL and multiple MROs around the world.

About Iraqi Airways:

Iraqi Airways Company, operating as Iraqi Airways, is the national carrier of Iraq, headquartered on the grounds of Baghdad International Airport in Baghdad. It is the second oldest airline in the Middle East. Iraqi Airways operates from its main base in Baghdad International Airport.

About Ramco Systems:

Ramco is a next-gen enterprise software player disrupting the market with its multi-tenant cloud and mobile-based enterprise software in HR and Global Payroll, ERP and M&E MRO for Aviation. Part of the USD 1 billion Ramco Group, Ramco Systems focuses on Innovation and Culture to differentiate itself in the marketplace. On the Innovation front, Ramco has been focusing on moving towards Active ERP leveraging Artificial Intelligence and Machine Learning by building features such as **Talk It** - which allows transactions to be carried out by simple voice commands, **Bot it** - which allows users to complete transactions using natural conversations; **Mail It** - transact with the application by just sending an email; **HUB It** - a one screen does it all concept built to address all activities of a user; **Thumb It** - mobility where the system presents users with option to choose rather than type values and **Prompt It** - a cognitive ability which will let the system complete the transaction and prompts the user for approval.

With 1800+ employees spread across 24 offices, globally, Ramco follows a flat and open culture where employees are encouraged to share knowledge and grow. No Hierarchies, Cabin-less Offices, Respect work and not titles, among others are what makes the team say, Thank God it's Monday!
