India's leading consumer healthcare company
Portea Medical Goes-Live on Ramco HCM

Chennai, India – September 26, 2017 – **Ramco Systems**, the global HR and Payroll software provider on Cloud and Mobile, announced the successful implementation of Ramco HCM suite integrated with Payroll for **Portea Medical's** ~5000 associates spread across 16+ Indian cities. The deployment of Ramco HCM has enabled Portea Medical digitize and automate all HR processes, thereby offering improved visibility across the organization.

From a manual, excel based system Portea Medical has moved to a completely automated HR system from Ramco to integrate its Core HR, Time & Attendance, Payroll, and Talent Management functions of its varied staff of medical practitioners including physicians, nurses, physiotherapists as also the non-medical team.

Commenting on the go-live, **Vaibhav Tewari, COO – Portea Medical** said, "Portea prides in being a pioneer in the consumer healthcare space in India. To attract and retain the best talent, we embarked on a digitization program to simplify our HR operations. The automation of HR function has helped our associates manage self-service tasks such as Leave, Reimbursements and Travel with ease thus reducing paper work and enabling smoother operations."

Virender Aggarwal, CEO – Ramco Systems, said, "We have been witnessing good momentum for Ramco HCM in our home ground, thanks to the thrust placed on simplified User Experience and leveraging Innovations such as Bots, and Mobility in HR. The ability of the application to automate traditional HR functions while also offering tools to attract new age employees has been a key driver in winning the trust of clients such as healthcare startup, Portea Medical. We hope to ride on this success to tap the burgeoning start up ecosystem in India."

Ramco Systems holds the distinction of being the only APAC vendor to be positioned in Gartner's 2017 Magic Quadrant for Cloud HCM Suites. Complete with chatbots, simplified User Experience and an intelligent In-memory based engine which identifies and resolves errors, organizations can deploy Ramco HCM on-cloud, on premise or leverage as a managed service. The multi-tenant architecture with embedded intelligence and device agnostics features now serves more than 450 customers worldwide. With innovative concepts of Haptic Design, Context-sensitive Pop-ups, Facial Recognition based Attendance and Chatbots to carry out self-service, Ramco has been setting the benchmark for Innovation in this segment. With statutory compliance across 40+ countries covering ANZ, Asia (including Japan & China), Middle-East & Africa, Ramco's Global Payroll is available in English, Japanese, Mandarin, Bahasa, Thai, Malay, Arabic among others.
