RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

DIRECTORS' REPORT

The Directors hereby submits their report together with the audited financial statements of the Company for the year ended 31 March 2022.

PRINCIPAL ACTIVITIES

The principal activities of the Company are to carry on the business of a computer software house and business pertaining to or connected with information technology and software. The Company obtained Multimedia Super Corridor ("MSC") status in 1997.

There have been no significant changes in the nature of these principal activities during the financial year.

FINANCIAL RESULTS

	2022
	RM
Loss for the Year	<u>(2,981,453)</u>

RESERVES AND PROVISIONS

There were no material transfers to or from reserves and provision during the financial year.

DIVIDENDS

No dividend has been proposed or paid for the financial year.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

DIRECTORS

The Directors who served since the date of the last report and at the date of this report are as follows:

Pusapadi Ramasubramania Raja Venketrama Raja	
Ravikula Chandran Ramamurthy	
Huang Swee Lin	
Awalludin Bin Nasir	(Appointed on 7 February 2022)
Saridah Binti Ismail	(Resigned on 7 February 2022)

DIRECTORS' INTERESTS

None of the directors holding office at the end of the financial year had any interest in shares in the Company and its related corporations during the financial year.

DIRECTORS' REMUNERATIONS

The details of Directors' remuneration are disclosed in Note 17 of the financial statements.

INDEMNIFYING DIRECTORS, OFFICERS OR AUDITORS

No indemnities have been given or insurance premiums paid, during or since the end of the year, for any person who is or has been the director, officer, or auditor of the Company.

DIRECTORS' BENEFITS

During and at the end of the financial year, no arrangements subsisted to which the Company is a party, with the object or objects of enabling directors of the Company to acquire benefits by means of the acquisition of shares in, or debentures of, the Company or any other body corporate.

Since the end of the previous financial year, no director of the Company has received or become entitled to receive a benefit (other than a benefit included in the aggregate amount of remuneration received or due and receivable by the directors as shown in the financial statements or the fixed salary of a full-time employee of the Company) by reason of a contract made by the Company or a related corporation with the director or with a firm of which the director is a member, or with a company in which the director has a substantial financial interest.

OPTIONS

No option has been granted during the financial year ended covered by the income statements to take up unissued shares of the Company.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

OTHER STATUTORY INFORMATION

- (a) Before the financial statements of the Group and of the Company were prepared, the Directors took reasonable steps:
- (i) to ascertain that action had been taken in relation to the writing off bad debts and the making of allowance for doubtful debts and satisfied themselves that adequate allowance had been made for doubtful debts and there were no bad debts to be written off; and
 - (ii) to ensure that any current assets which were unlikely to realise their values as shown in the accounting records in the ordinary course of business had been written down to an amount which they might be expected so to realise.
- (b) At the date of this report, the Directors are not aware of any circumstances:
- (i) which would render it necessary to write off any bad debts or the amount of the allowance for doubtful debts in the financial statements of the Group and of the Company inadequate to any substantial extent; or
 - (ii) which would render the values attributed to current assets in the financial statements of the Group and of the Company misleading; or
 - (iii) not otherwise dealt with in this report or the financial statements of the Group and of the Company which would render any amount stated in the financial statements misleading; or
 - (iv) which have arisen which would render adherence to the existing method of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate.
- (c) At the date of this report, there does not exist:
- (i) any charge on the assets of the Group or of the Company which has arisen since the end of the financial year which secures the liability of any other person; or
 - (ii) any contingent liability of the Group or of the Company which has arisen since the end of the financial year.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

OTHER STATUTORY INFORMATION

- (d) In the opinion of the Directors:
- (i) no contingent liability or other liability has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which will or may affect the ability of the Group and of the Company to meet its obligations as and when they fall due;
 - (ii) the results of the operations of the Group and of the Company during the financial year were not substantially affected by any item, transaction, or event of a material and unusual nature; and
 - (iii) there has not arisen in the interval between the end of the financial year and the date of this report any item, transaction, or event of a material and unusual nature likely to affect substantially the results of the operations of the Group and of the Company for the financial year in which this report is made.

ULTIMATE HOLDING COMPANY

The Company is a subsidiary of Ramco Systems Limited, of which is incorporated in India and regarded by the Directors as the Company's ultimate holding company, during financial year and until the date of this report.

AUDITORS' REMUNERATIONS

Total amounts paid to or receivable by the auditors as remunerations for their services as auditors can be referred to Note 17.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **RAMCO SYSTEMS SDN. BHD.**, which comprise the statement of financial position as at 31 March 2022, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 11 to 51.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 March 2022, and of its financial performance and its cash flows for the financial year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia.

Basis for Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Company in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Material Uncertainty Related to Going Concern

We draw attention to Note 2 in the financial statements, which indicates that Company's current liabilities exceeded its current assets by RM14,973,443 and has a capital deficit of RM13,649,701. As stated in Note 2, these events, or conditions, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF RAMCO SYSTEMS SDN. BHD. (CONT'D)

(Incorporated in Malaysia)

Information Other than the Financial Statements and Auditors' Report Thereon

The Directors of the Company are responsible for the other information. The other information comprises the Directors' Report but does not include the financial statements of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Company does not cover the Directors' Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Company, our responsibility is to read the Directors' Report and, in doing so, consider whether the Directors' Report is materially inconsistent with the financial statements of the Company, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the Directors' Report, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Statements

The Directors of the Company are responsible for the preparation of financial statements of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards, and the requirements of the Companies Act, 2016 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Company, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
RAMCO SYSTEMS SDN. BHD. (CONT'D)
(Incorporated in Malaysia)

Auditors' Responsibilities for the Audit of the Financial Statements (Cont'd)

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the financial statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements of the Company, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
RAMCO SYSTEMS SDN. BHD. (CONT'D)**
(Incorporated in Malaysia)

Auditors' Responsibilities for the Audit of the Financial Statements (Cont'd)

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the Company for the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act, 2016 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 1: CORPORATE INFORMATION

The Company is a private limited liability Company, incorporated and domiciled in Malaysia.

The registered office of the Company is located at 12th Floor, Menara Symphony, No. 5, Jalan Prof. Khoo Kay Kim Seksyen 13, 46200 Petaling Jaya, Selangor Darul Ehsan, Malaysia.

The principal place of business is located at 3B-5-3 Block 3B, Level 5 Plaza Sentral, Jalan Stesen Sentral 5, 50470 Kuala Lumpur.

The principal activity of the Company is to carry on the business of a computer software house and business pertaining to or connected with and involving information technology and software. The Company obtained Multimedia Super Corridor (“MSC”) status in 1997. There has been no significant change in the nature of this principal activity during the financial year.

The Company is a subsidiary of Ramco Systems Limited, of which is incorporated in India and regarded by the Directors as the Company’s ultimate holding company, during the financial year and until the date of this report.

The financial statements were authorised for issue by the Board on 18 May 2022.

NOTE 2: BASIS OF PREPARATION

(a) Statement of Compliance

The financial statements of the Company have been prepared in accordance with the Malaysian Financial Reporting Standards (“MFRSs”) and the requirements of the Companies Act 2016 in Malaysia. The financial statements have been prepared under the historical cost convention, except as disclosed in the accounting policies below.

The financial statements have been prepared on a going concern basis, which contemplates the realisation of assets and the liquidation of liabilities in the normal course of business. As at 31 March 2022, the company has net current liabilities of RM15,188,520 (2021 RM12,245,360) and shareholders' deficit of RM13,649,701 (2021: RM10,668,248). The company has obtained an undertaking from its holding Company to provide continued financial support to the company to enable it to meet its obligations and liabilities as and when they fall due.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 2: BASIS OF PREPARATION (CONT'D)

(b) Functional and presentation currency

The financial statements are presented in Ringgit Malaysia ("RM") which is the Company's functional currency. All financial information is presented in RM and has been rounded to the nearest RM except when otherwise stated.

NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

All significant accounting policies set out below are consistent with those applied in the previous financial year unless otherwise stated.

(a) Property, Plant and Equipment

Property, plant, and equipment's are stated at cost less accumulated depreciation and subsequent accumulated impairment losses.

Other property, plant and equipment's are depreciated on a straight-line basis to write off the cost of the assets to their residual values over their estimated useful lives, recognised as follows:

	(%)
Computer Equipment	20
Furniture and Fittings	20
Office Equipment	20
..	

Gain and losses on disposals are determined by comparing proceeds with the carrying amount and are included in income statement.

(b) Lease

A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'. To apply this definition the Company assesses whether the contract meets three key evaluations which are whether:

- the contract contains an identified asset, which is either explicitly identified in the contract or implicitly specified by being identified at the time the asset is made available to the Company
- the Company has the right to obtain substantially all of the economic benefits from use of the identified asset throughout the period of use, considering its rights within the defined scope of the contract
- the Company has the right to direct the use of the identified asset throughout the period of use. The Company assess whether it has the right to direct 'how and for what purpose' the asset is used throughout the period of use.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(b) Lease (Cont'd)

At lease commencement date, the Company recognises a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Company, an estimate of any costs to dismantle and remove the asset at the end of the lease, and any lease payments made in advance of the lease commencement date (net of any incentives received).

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist.

At the commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company's incremental borrowing rate.

Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed), variable payments based on an index or rate, amounts expected to be payable under a residual value guarantee and payments arising from options reasonably certain to be exercised.

Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments.

When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero.

The Company has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in profit or loss on a straight-line basis over the lease term.

Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability for each accounting period. Finance charges are charged to profit or loss.

Leased assets are depreciated over the estimated useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life and the lease term.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(b) Lease (Cont'd)

Operating lease payments are recognised as an expense in profit or loss on the straight-line basis over the lease term. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on the straight-line basis.

Assets leased out under operating leases are presented on the statement of financial position according to the nature of the assets. Rental income from operating leases is recognised on the straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on the straight-line basis over the lease term.

(c) Cash and Cash Equivalents

Cash comprises cash in hand and bank balances.

(d) Financial Instruments

A financial asset or a financial liability is recognised in the statement of financial position when, and only when, the Company becomes a party to the contractual provisions of the instrument.

Financial assets

Recognition and Initial Measurement

A financial asset (unless it is a trade receivable without significant financing component) or a financial liability is initially measured at fair value plus or minus, for an item not at fair value through profit or loss, transaction costs that are directly attributable to its acquisition or issuance. A trade receivable without a significant financing component is initially measured at the transaction price.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(c) Financial Instruments (Cont'd)

Financial assets (Cont'd)

Financial instrument categories and subsequent measurement

Categories of financial assets are determined on initial recognition and are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets in which case all affected financial assets are reclassified on the first day of the first reporting period following the change of the business model.

(a) Amortised cost (AC)

Amortised cost category comprises financial assets that are held within a business model whose objective is to hold assets to collect contractual cash flows and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The financial assets are not designated as fair value through profit or loss. Subsequent to initial recognition, these financial assets are measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Interest income is recognised by applying effective interest rate to the gross carrying amount except for credit impaired financial assets where the effective interest rate is applied to the amortised cost.

(b) Fair value through other comprehensive income (FVOCI)

Debt investments

Fair value through other comprehensive income category comprises debt investment where it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the debt investment, and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The debt investment is not designated as at fair value through profit or loss. Interest income calculated using the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in other comprehensive income. On derecognition, gains and losses accumulated in other comprehensive income are reclassified to profit or loss.

Interest income is recognised by applying effective interest rate to the gross carrying amount except for credit impaired financial assets where the effective interest rate is applied to the amortised cost.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(c) Financial Instruments (Cont'd)

Financial assets (Cont'd)

Financial instrument categories and subsequent measurement (Cont'd)

(c) Fair value through profit or loss (FVPL)

All financial assets not measured at amortised cost or fair value through other comprehensive income as described above are measured at fair value through profit or loss. This includes derivative financial assets (except for a derivative that is a designated and effective hedging instrument). On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at fair value through other comprehensive income as at fair value through profit or loss if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets categorised as fair value through profit or loss are subsequently measured at their fair value. Net gains or losses, including any interest or dividend income, are recognised in the profit or loss.

Financial liabilities

The categories of financial liabilities at initial recognition are as follows:

i. Fair value through profit or loss

Fair value through profit or loss category comprises financial liabilities that are derivatives (except for a derivative that is a financial guarantee contract or a designated and effective hedging instrument), contingent consideration is a business combination and financial liabilities that are specifically designated into this category upon initial recognition.

On initial recognition, the Company may irrevocably designate a financial liability that otherwise meets the requirements to be measured at amortised cost as at fair value through profit or loss:

- a) if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

a group of financial liabilities or assets and financial liabilities is managed, and its performance is evaluated on a fair value basis, in accordance with a documented risk management or investment strategy, and information about the group is provided internally on that basis to the Company's key management personnel; or

- b) if a contract contains one or more embedded derivatives and the host is not a financial asset in the scope of MFRS 9, where embedded derivative significantly modifies the cash flows and separation is not prohibited.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(c) Financial Instruments (Cont'd)

Financial liabilities

Financial liabilities categorised as fair value through profit or loss are subsequently measured at the fair value with gains or losses, including any interest expense are recognised in the profit or loss.

For financial liabilities where it is designated as fair value through profit or loss upon initial recognition, the Company recognise the amount of change in fair value of the financial liability that is attributable to change in credit risk in the other comprehensive income and remaining amount of the change in fair value in the profit or loss, unless the treatment of the effects of changes in the liability's credit risk would create or enlarge an accounting mismatch.

ii. Amortised cost

Other financial liabilities not categorised as fair value through profit or loss are subsequently measured at amortised cost using effective interest method.

Interest expense and foreign exchange gains and losses are recognised in the profit or loss. Any gains or losses on derecognition are recognised in the profit or loss.

(d) Offsetting of financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the statements of financial position if, and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

(e) Impairment of assets

Non-financial assets

For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or cash-generating units. Subject to operating segment ceiling test, for the purpose of goodwill impairment testing, cash-generating units to which goodwill has been allocated are aggregated so that the level at which impairment testing is performed reflects the lowest level at which goodwill is monitored for internal reporting purposes. The goodwill acquired in a business combination, for the purpose of impairment testing, is allocated to a cash-generating unit or a group of cash-generating units that are expected to benefit from the synergies of the combination.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(e) Impairment of assets (Cont'd)

Non-financial assets (Cont'd)

The carrying amounts of non-financial assets (except for inventories, amount due from contract customers and deferred tax assets) are reviewed at the end of each reporting period to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. For goodwill and intangible assets that have indefinite useful lives, or that are not yet available for use, the recoverable amount is estimated each period at the same time.

The recoverable amount of an asset or cash-generating unit is the greater of its value-in-use and its fair value less costs of disposal. In assessing value-in-use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or cash-generating unit.

An impairment loss is recognised if the carrying amount of an asset or cash generating unit exceeds its estimated recoverable amount. Impairment loss is recognised in profit or loss, unless the asset is carried at a revalued amount, in which such impairment loss is recognised directly against any revaluation surplus for the asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same asset. Impairment losses recognised in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the cash-generating unit (group of cash-generating units) and then to reduce the carrying amounts of the other assets in the cash-generating unit (group of cash-generating units) on a pro rata basis.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognised in prior periods are assessed at the end of each reporting period for any indications that the loss has decreased or no longer exists. An impairment loss is reversed only if there has been a change in the estimates used to determine the recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation or amortisation, had no impairment loss been recognised for asset in prior years. Such reversal is recognised in the profit or loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

Financial assets

The Company recognise loss allowance for expected credit losses (ECL) on financial assets measured at amortised cost, debt investments measure at fair value through other comprehensive income, contract assets and lease receivables. Expected credit losses are a probability – weighted estimate of credit loss.

RAMCO SYSTEMS SDN. BHD.

(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(e) Impairment of assets (Cont'd)

Financial assets (Cont'd)

The Company measure loss allowances at an amount equal to lifetime expected credit loss, except for debt securities that are determined to have low credit risk at the reporting date, cash and bank balance and other debt securities for which credit risk has not increased significantly since initial recognition, which are measured at 12-month expected credit loss. Loss allowances for trade receivables, contract assets and lease receivables are always measured at an amount equal to lifetime expected credit loss.

When determining whether the credit risk of a financial assets has increased significantly since initial recognition and when estimating expected credit loss, the Company consider reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information, where available.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of the asset, while 12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within the 12 months after reporting date. The maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company are exposed to credit risk.

The Company estimate the expected credit losses on trade receivables using a provision matrix with reference to historical credit loss experience.

An impairment loss in respect of financial assets measured at amortised cost is recognised in profit or loss and the carrying amount of the assets is reduced through the use of allowance account.

An impairment loss in respect of debt instruments measured at fair value through other comprehensive income is recognised in profit or loss and the allowance account is recognised in other comprehensive income.

At each reporting date, the Company assess whether financial assets carried at amortised cost and debt securities at fair value through other comprehensive income are credited-impaired. A financial asset is credit impaired when one or more event that have detrimental impacts on the estimated future cash flows of the financial asset have occurred.

The gross carrying amount of a financial asset is written off (either partially or full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or source of income that could generate sufficient cash flows to repay the amounts subject to the written-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(f) Provisions for Liabilities

Provisions for liabilities are recognised when the Company has a present legal or constructive obligation as a result of past events, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and when a reliable estimate of the amount can be made.

Provisions are reviewed at the end of the reporting year and adjusted to reflect the current best estimate. Where the effect of the time value of money is material, the amount of a provision is the present value of the expenditure expected to be required to settle the obligation.

(g) Borrowing Cost

All borrowing costs are recognised as an expense in profit or loss in the period in which they are incurred.

(h) Equity Instruments

Instruments classified as equity are measured at cost on initial recognition and are not remeasured subsequently.

Ordinary shares

Ordinary shares are classified as equity.

(i) Revenue and other income

(i) License fees

License fees revenue is recognized on delivery of the software.

(ii) Implementation fee

Implementation contracts are either milestones based, or time and material based:

(a) In the case of milestones contract, revenue is recognized based on effort spent and upon achievement of the milestones as per the terms of the contract.

(b) In the case of time and material contracts, revenue is recognized based on billable time spent on the project, priced at the contractual rate.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

i) Revenue and other income (Cont'd)

(iii) Services

Revenue from fixed price contracts is recognized on milestones achieved as per the terms of the specific contract and based on efforts spent.

(iv) Annual maintenance contract

Revenue from maintenance services is recognised on a straight-line basis over the period of the contract.

(v) Hardware sales

Revenue from sales of hardware is recognized based on the consideration received or receivable and is recognized in the income statement when the significant risks and rewards of ownership have been transferred to the buyer.

(vi) Enablement fees, application installation and expenses reimbursement

Revenue from enablement fees, application installation and expenses reimbursement are recognized as and when services are rendered.

(vii) Interest income

Interest income is recognized as it accrues using the effective interest method in profit or loss.

j) Employee Benefits

i. Short Term Benefits

Wages, salaries, bonuses, and social security contributions are recognised as an expense in the year in which the associated services are rendered by employees of the Company. Short-term accumulating compensated absences such as paid annual leave are recognised when services are rendered by employees that increase their entitlement to future compensated absences. Short term non-accumulating compensated absences such as sick leave are recognised when the absences occur.

ii. Defined Contribution Plans

As required by law, companies in Malaysia make contributions to the Employees Provident Fund ("EPF").

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

k) Income Tax Expense

Income taxes for the year comprise current and deferred taxes.

Current tax is the expected amount of income taxes payable in respect of the taxable profit for the year and is measured using the tax rates that have been enacted or substantively enacted at the end of the reporting year.

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax liabilities are recognised for all taxable temporary differences other than those that arise from goodwill or excess of the acquirer's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over the business combination costs or from the initial recognition of an asset or liability in a transaction which is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit.

Deferred tax assets are recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, unused tax losses and unused tax credits can be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on the tax rates that have been enacted or substantively enacted at the end of the reporting year.

Deferred tax is recognised in profit or loss, except when it arises from a transaction which is recognised directly in equity, in which case the deferred tax is also charged or credited directly in equity, or when it arises from a business combination that is an acquisition, in which case the deferred tax is included in the resulting goodwill or excess of the acquirer's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over the business combination costs. The carrying amounts of deferred tax assets are reviewed at each end of the reporting year and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax assets to be utilised.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

l) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events and whose existence will only be confirmed by the occurrence of one or more uncertain future events not wholly within the control of the Company. It can also be a present obligation arising from past events that is not recognised because it is not probable that an outflow of economic resources will be required, or the amount of obligation cannot be measured reliably.

A contingent liability is not recognised but is disclosed in the notes to the financial statements. When a change in the probability of an outflow occurs so that the outflow is probable, it will then be recognised as a provision.

m) Foreign Currency Transaction

Foreign currency transactions in the Company are accounted for at exchange rates prevailing at the transaction dates, unless hedged by forward foreign exchange contracts, in which case the rates specified in such forward contracts are used.

Exchange differences arising from the settlement of foreign currency transactions and from the translation of foreign currency monetary assets and liabilities are included in the income statement.

n) Use of Estimates and Judgements

The preparation of the financial statements in conformity with MFRS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

There are no significant areas of estimation uncertainty and critical judgements in applying accounting policies that have significant effect on the amounts recognized in the financial statements.

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 21: FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's financial risk management seeks to ensure that adequate financial resources are available for the development of the Company's business whilst managing its risks. The following policies are implemented to provide effective ways to reduce the financial risks of the Company. The risks faced are mainly liquidity risk, credit risk and interest rate risk.

a) Liquidity Risk

The Company ensures that there are adequate funds to meet all its obligations in a timely and cost-effective manner.

b) Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in a loss to the Company. The Company has adopted the policy of only dealing with credit worthy counterparty and obtaining sufficient collateral or other security where appropriate, as a means of mitigating the risk of financial losses from defaults. Trade receivables are monitored on an on-going basis via Company management reporting procedures.

The carrying amount of financial assets recorded in the financial statements represents the Company's maximum exposure to credit risk.

c) Credit risk concentration profile

The Company approximately 80% (2021: 66%) outstanding trade receivables as at 31 March 2022 due from 10 major debtors.

d) Trade receivables that are neither past due nor impaired

Information regarding trade receivables that are neither past due nor impaired is disclosed in Note 8 to the financial statements.

e) Trade receivables that are past due but not impaired and past due and impaired

Information regarding financial assets that are past due but not impaired and past due and impaired are disclosed in Note 8 to the financial statements.

f) Interest Rate Risk

The Company's income and operating cash flows are substantially independent of changes in market interest rates. Interest rate exposures arise from the Company's borrowings and is managed through the use of fixed rate debts.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 21: FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

g) Foreign Exchange Risk

Foreign exchange risk arose predominantly from payment to the holding company and related company transacted in United States Dollar and CHF and trade payables to suppliers in United states dollar.

h) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Company manage their debt maturity profile, operating cash flows and the availability of funding so as to ensure that all refinancing, repayment and funding needs are met. As part of its overall liquidity management, the Company maintain sufficient levels of cash and deposits at bank to meet their working capital requirements.

RAMCO SYSTEMS SDN. BHD.
(Incorporated in Malaysia)

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 21: FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

(e) Liquidity risk (Cont'd)

At the reporting date, carrying amount of financial guarantee is zero as the counterparty to the financial guarantees does not have a right to demand cash since the default has not occurred.

(e) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Company's financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to interest rate risk is minimised, as the Company do not have any significant loans and borrowings, other than loan from holding and related parties.

The investment in financial assets is mainly short term in nature and they are not held for speculative purposes but have been mostly placed in fixed deposits which yield better returns than cash at bank. As such, no sensitivity analysis of interest risk has been disclosed in the financial statements.

(f) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2022

NOTE 22: SIGNIFICANT ACCOUNTING DISCLOSURE

The outbreak of Novel Coronavirus (COVID19) continues to progress and evolve. Therefore, it is challenging now, to predict the full extent and duration of its business and economic impact. The Company has, based on information available, taken into account the possible impact of COVID-19, including on the carrying amounts of financial and non-financial assets and as per the current assessment of the Company, there is no material impact in respect of these in the preparation of the financial statements. However, the impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to monitor the uncertainties caused by COVID-19 to assess the impact on our future economic conditions.

NOTE 23: AUTHORISATION OF FINANCIAL STATEMENTS FOR ISSUE

The financial statements for the year ended 31 March 2022 were authorized for issue in accordance with a resolution of the Directors on 18 May 2022.
