India's leading and longest-serving aviation services provider,  
**Indamer Technics Goes Live with Ramco Aviation**  
Digitized its 3<sup>rd</sup> Party MRO business operations in just 45 days.

**Nagpur / Chennai, INDIA – July 30, 2025** – Global aviation software provider [Ramco Systems](#) announced the successful implementation of its [Aviation Software](#) at [Indamer Technics Private Limited](#), a leading Indian aviation services company, designing and delivering technical, operational and financial solutions to enhance the efficiency and competitiveness of the Indian commercial aviation and government sectors.

With modules for Maintenance, Engineering, Supply Chain Management, Quality, Contract and Quote Management and Customer Billing and Finance, Ramco Aviation Software has replaced Indamer Technics legacy systems with a single integrated solution. Indamer Technics achieved go-live and adoption within 45 days, and has already begun realizing significant benefits, including enhanced inventory accuracy and visibility, effective tracking of open orders and project progress, improvement in billing TAT and accuracy, as well as streamlined material requirements planning and consumption.

**Ashwani Acharya, Chief Operating Officer, Indamer Technics Private Limited**, said, "In a fast-tracked rollout aligned with our business goals, we transitioned our MRO operations to Ramco Aviation Software. The system now powers every stage of our workflow, from contract execution to aircraft delivery. Thanks to the dedication and seamless collaboration between the teams at Indamer Technics and Ramco, we shall be able to deliver greater value, faster, to our customers."

**Sam Jacob, Executive Vice President & SBU Head – Aviation, Aerospace and Defense, Ramco Systems**, said, "Realizing go-live status in just 45 days is a testament to the strength of our partnership with Indamer Technics and the robust capabilities built into Ramco Aviation Software, which embody the best-of-the-breed aviation MRO industry's best practices. With this successful go-live, Indamer Technics now has a scalable, future-ready platform that will support their evolving needs and reinforce their position as a key player in India's MRO sector for years to come. This is the level of transformation we strive to deliver for every organisation in the aviation MRO industry."

[Ramco Aviation Software](#) is trusted by 24,000+ users to manage 4,000+ aircraft globally. With 70+ Aviation organizations onboard, Ramco is the solution of choice for top Airlines, 3rd party MROs, large Heli-Operators, leading Defense organizations, and major Urban Air Mobility companies around the world. Available on cloud, Ramco Aviation Suite provides accessibility with 'Anywhere Apps', significantly accelerating organizational efficiency and agility. Ramco is changing the paradigm of enterprise software with Artificial Intelligence based solutions, intelligent voice enabled user experience, and advanced features such as digital task cards, offline maintenance capability, conversational chatbots, HUBs and cognitive solutions.

**About Indamer Technics:**

[Indamer Technics Private Limited](#) is a key player in India's Maintenance, Repair, and Overhaul (MRO) sector, specializing in the Airbus A320 family. Being strategically located in Nagpur it offers a comprehensive suite of MRO services, including Lease Return Checks, Heavy C-Checks, Structural Repairs, and Aircraft Painting. Besides Director General of Civil Aviation (DGCA) approval, the company holds approvals from Federal Aviation Administration (FAA), Civil Aviation Authority of the Philippines (CAAP), Civil Aviation Authority of the Cayman Islands (CAACI), and the Bailiwick of Guernsey.

Indamer Technics inherits a rich legacy from its parent company, Indamer Aviation founded in 1939. Indamer Aviation stands as a trusted name for last 85 years in the aviation industry. It is the oldest and largest players in maintenance of Fixed Wing and Rotary wing aircraft providing world-class maintenance solutions including CAMO services and a training academy (CAR147) for multiple aircraft variants. With an extensive presence across 17 stations and diversifying into, Fixed-Base Operator (FBO) offering premium FBO services at Delhi with an exclusive Indamer terminal featuring an executive lounge, business center, customs, and immigration facilities. Passengers and crew enjoy seamless services, including transfers in luxury vehicles, ensuring an effortless travel experience.
