Leading Communications Agency, Dentsu Aegis Network MENA Goes-Live on Ramco HCM

Dubai, UAE/ Chennai, India – June 13, 2017 –[Dentsu Aegis Network Middle East and North Africa](#), a global communications network offering best-in-class expertise and capabilities in Media, Digital and Creative, today announced the successful implementation of [Ramco Systems](#)' HCM suite integrated with Payroll, for its operations across the region. The deployment of Ramco HCM will digitize and automate all HR processes at Dentsu Aegis, offering improved visibility across the organization and simplifying day to day HR needs.

The integrated online platform enables staff members to effortlessly manage their personal profiles, leave requests, expenses, business travel and payroll, as well as providing an overview of team schedules for line managers. Ramco HCM has automated the entire HR & Payroll operations which had previously been managed manually. The initial results have been encouraging with Dentsu Aegis reporting an 80% reduction in payroll processing time.

Commenting on the go-live **Nick Seruwagi, HR Director - MENA, Dentsu Aegis Network** said, "Dentsu Aegis has ambitious targets to become a 100% digital economy business by 2020. We believe that our people make us different and are vital to our momentum and creativity, but digitization and automation are central to our business. While there is no algorithm for human nature, aligning all HR needs on an online cloud based platform has significantly reduced paperwork, saved time, and allowed our people to access all of their HR needs in one place."

(L-R) **Harsh Vardhan G**, Executive Vice President, Ramco Systems and **Nick Seruwagi**, HR Director – MENA, Dentsu Aegis Network celebrating the go-live at Dentsu, Middle East
